WHERE TO STAY:

We have had offers for other hotels but they haven't been contacted yet. This one came through a friend of Ottos's and they are nice, the place looks cozy enough and Gabriela negotiated a 20% discount with them. We are staying here and decided to do a first come first serve kinda thing.

You need to mention the D& D discount to get it so you can't do it over the internet if you want the discount.

Most of the staff don't speak English but you can call by phone from 7 am to 3 pm and ask for Carmen. She speaks English. They will ask you to send an email to the hotel with your credit card numbers. They won't charge anything until you are there. It's just as a guarantee.

I will try to talk to Carmen about an alternative but that's how Gabriela booked ours.
